TO WHOM IT MAY CONCERN:

This will confirm that KCL Contracting and Engineering Limited have been employed by the Toronto Colony Hotel off and on for the past five years. They are the Project Managers and General Contractors on all aspects of our renovations. They are professional and have carried out the work to the complete satisfaction of all concerned.

I have no hesitation in recommending them.

If you require further information, you may call the undersigned directly at (416) 585-3173.

Sincerely,

Norman M. Proven
